UNITED STATES OF AMERICA

Plaintiff

v.

ADAM TODD SILVERMAN

Defendant

_____ /

**RENEWAL OF DEFENDANT'S MOTION UNDER 18 U.S.C. §§
3583(e)(1) AND (e)(2) FOR EARLY TERMINATION OF
PROBATION**

Defendant, ADAM TODD SILVERMAN, by and through his undersigned counsel, hereby renews his Motion under 18 U.S.C. §§ 3583(e)(1) and (e)(2) for Early Termination of Probation, and in support thereof states:

1. On May 19, 2005 Defendant's undersigned counsel served Defendant's motion for an Order terminating his probation pursuant to

the provisions of 18 U.S.C. §§ 3583(e)(1) and (e)(2). The motion was not opposed by the Government. The motion stated that Defendant had complied with all requirements of the judgment except completing (as of the date of the motion) the last 13.75 hours of 400 total hours of community service ordered.

2. By Order dated May 23, 2005, the Court denied Defendant's Motion for Early Termination of Probation, stating "Defendant may renew his motion upon completion of the community service hours for the current year." A true copy of said Order is annexed as Exhibit 1.

3. Defendant has since completed his entire community service hours requirement and, therefore, renews his Motion for an order granting him an early termination of his supervised release. Annexed hereto as Composite Exhibit 2 is a true copy of Defendant's summaries of the recorded community service hours performed by him between February 2004 and May 2005, the originals of which were delivered monthly by Defendant to his Probation Officer, Steven G. Aasterud, of the United States Probation Office, Ft. Lauderdale Division.

4. As previously certified by undersigned counsel following conversations with Probation Officer Steven G. Aasterud and with Assistant United States Attorney in connection with Defendant's earlier

motion, both Mr. Aastarud and Mr. LaVecchio each stated to me he has no objection to Mr. Silverman's motion for an Order terminating his probation.

WHEREFORE, the undersigned respectfully requests that an order be entered herein granting the motion of Defendant Adam Todd Silverman for an early termination of his probation.

ADAM TODD SILVERMAN,

Defendant.

**ORDER DENYING MOTION FOR EARLY TERMINATION
OF SUPERVISED RELEASE**

THIS MATTER is before the Court pursuant to Defendant's Motion for Early Termination of Probation. After reviewing the motion and being fully advised in the premises, it is
